

Demolition of the NIB Mall, Scarborough is expected to commence on August 12th, 2013 and The National Insurance Board of Trinidad and Tobago is seeking to dispose of rubble.

Material to be disposed consists of 5700 cubic meters of rubble mainly made up of concrete slabs/blocks, steel re-bars, and PVC conduit.

Persons interested in the material created by the demolition works are asked to urgently contact Theresa Taitt at (868)742-1642.

Transportation will be provided free of charge within a 15 mile radius of the demolition site.

Interested parties will be required to demonstrate their ability to safely dispose of the rubble.
